## SECTION 3 COURSE INFORMATION

### Accredited Training Programs

Accredited programs are competency based which means that training and assessment focuses on the development and recognition of a person's ability to apply relevant knowledge and skills to perform workplace tasks to a specified standard.

The specific skills and knowledge required for a particular workplace activities are set out in Units of Competency which can be grouped together to formulate the completion of a nationally recognised qualification. Nationally recognised qualifications are outlined in Training Packages. These can be viewed at [www.training.gov.au](http://www.training.gov.au).

Each qualification has a list of employability skills which describe the non-technical skills and competencies that are important for effective and successful participation in the workforce. For each qualification there are specific employability skills listed under the following headings:

- Communication
- Teamwork
- Problem solving
- Initiative and enterprise
- Planning and organizing
- Self-management
- Learning
- Technology.

These employability skills will be part of the assessment requirements of a nationally accredited course.

### Competency

It is important to note that the rules and requirements of a Unit of Competency and a qualification are applied to all students regardless of where they are, or the mode of training delivery provided. You could be a full time student in a classroom or the workplace, or you could be applying for recognition of the skills and knowledge currently held.

Each Unit of Competency is made up of the following:

- Elements;
- Performance criteria;
- Required knowledge and skills;
- A range of variables;
- Critical aspects of evidence;
- Any pre or co requisites (if applicable).

To be deemed Competent in any Unit of Competency you must be able to provide evidence of the required skills and knowledge to complete work tasks to the standard that is required in the workplace. Skills need to be demonstrated in a range of situations and environments (which could include simulated applications in a learning environment) over a period of time.

## **Evidence**

Evidence is the material proof that you have performed the specified competency or task to the required standard. Your evidence requirements will be determined by the Unit of Competency, employability skill requirements, industry expectations, Government regulations, and your qualifications and current experience. Evidence can take many forms and you will be required to present more than just one piece of evidence.

Assessment tools that we will provide to you set out the exact requirements for evidence for each unit/module.

Examples of evidence could include one or more of the following:

- Specific assessments tasks set by your Assessor
- Observation reports
- Certificates and awards
- Examples of work completed or special projects
- Current licenses
- Position descriptions and performance reviews
- Third party reports
- Question responses
- Tests
- Assignments

Your evidence must also demonstrate the following:

- That you can do the job or task to the required standard
- Understand why the job should be done in a particular way
- Handle unexpected issues or problems
- Work with others 'in a team'
- Do more than one thing at a time, e.g. perform the task and be aware of the occupational health and safety requirements
- Know the workplace rules and procedures

## **Assessment**

Assessment is an integral part of your learning if you wish to complete successfully and gain certification.

The assessment process will be explained at orientation and throughout your program. Assessors will also be available to help you if you have any questions.

Assessment is the process of collecting evidence and making judgement on whether competency has been achieved to confirm that an individual can perform to the standards expected in the workplace and as expressed in relevant competency standards.

Throughout the training program you will be assessed to see if you have gained the necessary skills and knowledge to achieve the qualification. Your trainer/assessor is required to ensure that the assessment tasks you undertake meet the national principles of assessment and rules of evidence (see below for more information).

Various assessments tasks /activities may be involved including, but not limited to:

- Observation of performance;
- Assignments;
- Written activities;

- written / oral questioning;
- oral presentations;
- workplace performance
- projects
- case studies;
- role plays/ simulations;
- demonstration of skills;
- online assessments;
- portfolio of evidence.

Certification will only be given to students who successfully complete all assessment requirements for a course.

Tomaree Community College Inc. is required to meet stringent quality requirements in the conduct of all assessments.

The Tomaree Community College Inc. has carefully constructed and developed assessment resources to meet these quality requirements, as well as be user friendly to students.

### Principles of Assessment

Assessments will be conducted in accordance with the following principles of assessment.

<b>Valid</b>	<p>Any assessment decision of the RTO is justified, based on the evidence of performance of the individual learner.</p> <p>Validity requires:</p> <ul style="list-style-type: none"> <li>• Assessment against the unit/s of competency and the associated assessment requirement covers the broad range of skills and knowledge that are essential to competent performance;</li> <li>• Assessment of knowledge and skills is integrated with their practical application;</li> <li>• Assessment to be based on evidence that demonstrates that a learner could demonstrate these skills and knowledge in other similar situations; and</li> <li>• Judgement of competence is based on evidence of learner performance that is aligned to the unit/s of competency and associated assessments requirements.</li> </ul>
<b>Reliable</b>	<p>Evidence presented for assessment is consistently interpreted and assessment results are comparable irrespective of the assessor conducting the assessment.</p>
<b>Flexible</b>	<p>Assessment is flexible to the individual learner by:</p> <ul style="list-style-type: none"> <li>• Reflecting the learner’s needs;</li> <li>• Assessing competencies held by the Learner no matter how or where they have been acquired; and</li> <li>• Drawing from a range of assessment methods and using those that are appropriate to the context, the unit of competency and associated assessment requirements, and the individual.</li> </ul>
<b>Fair</b>	<p>The individual learner’s needs are considered in the assessment process.</p> <p>Where appropriate reasonable adjustments are applied by the RTO to take into account the individual learner’s needs.</p>

	The RTO informs the learner about the assessment process, and provides the learner with the opportunity to challenge the result of the assessment and be reassessed if necessary
--	--

### Rules of Evidence and Assessment

Tomaree Community College Inc. is required to ensure that all evidence provided by students, as proof of their competency, meets the following “rules of evidence”.

<b>Valid</b>	The assessor is assured that the learner has the skills, knowledge and attributes as described in the module or unit of competency and associated assessment requirements.
<b>Sufficient</b>	The assessor is assured that the quality, quantity and relevance of the assessment evidence enables a judgement to be made of a learner’s competency.
<b>Authentic</b>	The assessor is assured that the evidence presented for assessment is the learner’s own work.
<b>Current</b>	The assessor is assured that the assessment evidence demonstrates current competency. This requires the assessment evidence to be from the present or the very recent past.

### Course Assessment

There will be assessment tasks set for each course regardless of the learning mode. Assessment activities and expectations will be explained to students, and are outlined within learner / assessment resources.

Many courses require assessment to be completed after the course, as workplace performance is essential in competency based learning.

### Presentation of Assessments/ Assignments

- All assessments should be typed.
- Handwritten assessments are accepted, however handwriting must be clear and easy to read.
- If you are mailing an assignment, it must be received by the due date. Tomaree Community College does not accept responsibility for any lost assignments. **Please ensure you keep a copy of your assignment prior to submission.**

### Assessment results

Students have access to their own learning account which will indicate assessments undertaken and the units of competency that the individual has attained.

Results of assessment are provided to students as soon as is practical. Assessment results are confidential at all times and will not be given to any other party unless a written request signed by the student is received in advance.

## Reasonable adjustments

Students with disabilities are encouraged to discuss with Tomaree Community College Inc. any 'reasonable adjustments' to learning and assessment processes which they consider would be necessary or assist them in the performance of their studies.

Careful consideration will be given to any requests for reasonable adjustment of this nature, and, where reasonably practicable, such adjustments will be made. There may however be circumstances where it will not be reasonable or reasonably practicable for the Tomaree Community College Inc. to accommodate or where other adjustment may be more appropriate. Reasonable adjustments cannot compromise the integrity of competency based training and assessment.

## Extensions for Assessment

It is expected that all assessment tasks are handed in on the due date. Should you require additional time to complete an assessment you must communicate with your assessor and apply for an extension.

## Certificates

### Types of Certification

In general, four types of certificates are issued by Tomaree Community College Inc.. Certificates can only be awarded by Tomaree Community College Inc. in accordance with our approved qualification scope.

- **Qualification** – issued under the Australian Qualification Framework (AQF) for nationally recognised training. Full qualifications can only be issued once the student has been deemed competent across all the relevant units of competency making up the qualification.
- **Record of Results** – accompanies a qualification issued under the Australian Qualification Framework (AQF) for nationally recognised training. This document supplements the qualification listing all units of competency achieved for the qualification.
- **Statement of Attainment (SOA)** – issued under the Australian Qualification Framework (AQF) for nationally recognised training. Issued when a student is deemed competent in a unit or a cluster of units of competency. Minimum achievement for a SOA is one unit of competency. You can request a SOA at any time during your training.
- **Certificate of Attendance** – for non-nationally recognised training. Issued when a student attends a short course which is not within the Australian qualifications framework (AQF). To receive a Certificate of Attendance, the student must have a satisfactory attendance rate.

Certificates will only be posted to students at their nominated postal address as shown in their student login account. The onus is on the student to ensure their address details are correct.

Certificates will not be sent to other parties, without the expressed prior written permission from the student. Duplicate or replacement copies of certificates incur a fee.

- Practical demonstrations
- audio/visual presentations

### **Flexible Delivery**

Flexible delivery focuses on learning rather than teaching and to provide the best possible learning experience for the student. This means that the student has greater control over what, when and how they learn.

Tomaree Community College Inc. offers various forms of delivery to accommodate the varying needs of students. Modes of delivery available for most courses include classroom (face-to-face) environment, workplace –based, correspondence, on-line, Recognition of Prior Learning (RPL) or a combination of these.

### **Language, Literacy and Numeracy**

Each Training Package sets a minimum requirement in language, literacy and numeracy skills of participants, with which the Tomaree Community College Inc. must abide with.

Tomaree Community College Inc. makes appropriate concessions for language, literacy and numeracy issues of students where these concessions do not compromise the requirements of the relevant Training Package and the integrity, equity and fairness of assessment.

Where there are entry requirements for courses e.g. literacy in English and numeracy, these are clearly stated in pre-enrolment and enrolment information.

Advice is given to all students on appropriate actions if there is a need to update literacy and numeracy skills. Tomaree Community College Inc. can assist in providing this additional development prior to completing your enrolment into vocational skills.

### **Recognition**

Recognition is the collective term and includes:

- Recognition of prior learning (RPL);
- Recognition of current competency (RCC);
- Credit transfer (CT); and
- Mutual Recognition (MR).

All students have the opportunity to apply for recognition. This means that you can submit evidence for a Unit(s) of Competency and have it assessed by a qualified Assessor without completing the training.

Tomaree Community College Inc. believes that no learner should be required to undertake a unit of competency for which they are already able to demonstrate satisfactory achievement of the performance outcomes, as stated in the endorsed training package or nationally recognised course.

Tomaree Community College Inc. aims to maximise the recognition of a learner's prior skills and knowledge whilst at all times maintaining the integrity and standards of the defined learning outcomes of the specific qualification or course of study. Students who consider they already possess the competencies identified in all or part of any course/qualification offered by Tomaree Community College Inc. may seek recognition.

If you think you have the necessary knowledge and skills to match a Unit(s) of Competency or a qualification at the required standard you need to contact our <Position 3> on <Phone Number> who will provide the information you need to complete an application.

### **Recognition Process**

Recognition is a method of assessing if you have evidence of competency for a particular unit of competency that you are enrolled in. It is important to remember that Recognition is an **assessment process** not an assumption of competence.

Recognition is the determination, on an individual basis, of the competencies obtained by a student through:

- previous formal training
- work experience, and/or
- life experience.

Recognition therefore determines the subsequent advanced standing to which the student is entitled in relation to a course/qualification. The main focus of Recognition is what has been learned rather than how, where or when it was learned. Recognition focuses on both the demonstration of competence and the currency of that competence to industry standards.

It is important to note, the onus is on the student to document and present evidence to justify a claim for recognition and present their case to the satisfaction of the Assessor.

Any documents that you provide to support your claim of competency must be the originals rather than copies. Your original documents will be photocopied and handed back to you. It is also expected that any evidence submitted is your own and if any part of the work is the work of others, that this is formally acknowledged and advised.

### **Recognition Decision**

Regardless of the type of evidence that you submit, Assessors must be confident that the evidence meets the following criteria:

- Full requirements of the Unit of Competency(s);
- Any Regulatory requirements;
- Authenticity - That it is your own evidence and can be authenticated;
- That you can perform the competency consistently and reliably;
- Is at the standard expected in industry and set out in the Australian Qualification Framework (AQF);
- Sufficiency - There is sufficient evidence to make a judgment.

Tomaree Community College Inc. is committed to ensuring that all judgments made by Assessors against the same competency standards are consistent. Your Assessor will examine the evidence that you present and then make a judgment on that evidence which will be either:

- Competent (C) - you have been deemed competent against all the requirements of the Unit/s of Competency
- Not Yet Competent (NYC) - you have not yet demonstrated competency to all requirements.

Your assessor will advise you what you can do if you receive a NYC for your assessment task. If you are deemed NYC in your initial assessment, you are allowed a second attempt. However, if you are deemed NYC in the second attempt, you will be required to re-enrol. Please talk to your assessor if you have any concerns.

For further information on Recognition, please see Tomaree Community College Inc. Recognition policy.

### **Mutual Recognition**

Tomaree Community College Inc. recognises the AQF qualifications and Statements of Attainment issued by other Registered Training Organisations (RTOs). This is commonly referred to as Mutual Recognition or Credit Transfer. Mutual recognition is applicable when a Statement of Attainment or qualification provided by a student has the same national competency codes as those that form part of the training and assessment program within which the student is enrolled or is intending to enrol. Students are required to formally apply for Mutual Recognition. With Mutual Recognition student's are not required to undertake learning in the unit/s again, the student is exempt.

### **Special Needs**

Students intending to enrol for training with the Tomaree Community College Inc. are requested to advise us if they have any physical or other impairment (e.g. English language, literacy or numeracy difficulties, dyslexia, etc) which may adversely affect their ability to successfully undertake training and assessment, prior to enrolment.

Students with disabilities or impairments are encouraged to discuss with the Director any 'special needs' and/or 'reasonable adjustments' to the study environment which they consider are necessary or would assist them in the performance of their studies.

The Director, in collaboration with the student, will assess the potential for the student to successfully complete the training which may include flexible delivery options to optimise the ease and benefit of the student's learning.

### **Trainer and Assessors**

All Trainers and Assessors are qualified in training and assessment and the vocational area which they are delivering. They have practical experience and maintain their currency in industry.

## **SECTION 4      POLICIES**

### **Access and Equity**

Tomaree Community College Inc. is committed to promoting, encouraging and valuing equity and diversity with respect to its students and to providing them with a positive learning environment to achieve success. Tomaree Community College Inc. will ensure services offered are provided in a fair and equitable manner to all students, free from bias.

For further information, see Tomaree Community College Inc. Access & Equity Policy.

### **Appeals**

Tomaree Community College Inc. ensures that students have access to a fair and equitable process for appeals against assessment decisions. An appeals and reassessment process is an integral part of all training and assessment pathways leading to a nationally recognised qualification or Statement of Attainment under the Australian Qualifications Framework (AQF).

- Students have the right to lodge an appeal against an assessment decision if they feel they were unfairly treated during an assessment, and/or where they feel the assessment decision is incorrect and they have grounds for an appeal.
- The principles of natural justice and procedural fairness are adopted at every stage of the appeal process.
- The appeals policy is publicly available, via Tomaree Community College Inc. website.
- The appellant can provide detail of their appeal either verbally and/or in writing.
- All appeals must be lodged within 7 calendar days of the date of the assessment result notification to the student.
- If the appeals process fails to resolve the appeal or the appellant is not satisfied with the outcome of the appeal, the matter will be referred to an independent third party for review, at the request of the appellant. All costs incurred for the third party review will be advised to the appellant.
- Every appeal is heard by a suitably qualified independent assessor or panel, who will be asked to make an independent assessment of the application.
- All appeals are acknowledged in writing and finalised as soon as practicable.
- Tomaree Community College Inc. may charge a fee for the appeals process where an external assessor is engaged. Should this be the case, all costs incurred will be advised to the appellant.
- If the appeal will take in excess of 60 calendar days to finalise Tomaree Community College Inc. will inform the appellant in writing providing the reasons why more than 60 calendar days are required. The appellant will also be provided with regular updates on the progress of the appeal.
- Tomaree Community College Inc. strives to deal with appeal issues as soon as they emerge, in order to avoid further disruption or the need for a formal complaint process.
